Our apologies to Mrs. Paul Goodman for not listing the new variety "Mrs. G" as a registered hibiscus. We did not have the information on the card when stencils were cut. IT IS A PAID REGISTRATION. Thanks for calling this to our attention.

My apologies to our dear friend and member, Mr. C. M. Shell of the Shell Plant Farm in Beaumont, Texas, for not recognizing him and the great distance he traveled to be with us at our Convention in Cypress Gardens. Please come back to see us, Mr. Shell, and I promise to take time out to eat next time. If any of the members travel out to Texas don't fail to go to Beaumont and call on Mr. Shell, believe me, you will be treated like kings and queens. Good Luck.

A complete report of all flower shows will be given in the Spring Issue of the SEED POD. PLEASE Chapter Chairmen or Show Chairmen send to me as soon as possible all information on the tri-color, sweepstakes and best bloom in show, amateur or commercial in order to set up our advanced copy for stencils. This takes quite a bit of time and we don't want to leave any of the fine winners out if we can help it. The last show of the year was October 12th which made it too late for the November-December-January issue. We will appreciate your cooperation.

FORMS WILL BE READY SOON FOR NEW REGISTRATIONS.
